

FREE EXPO PASS TO CLOUD COMPUTING'S DEFINING CONFERENCE

Cloud Connect offers the most complete program for IT professionals, executives and developers. Explore the benefits and opportunities of cloud computing, learn how to develop successful business models and build relationships, or get in-depth technical information on cloud development.

See the latest cloud technologies and learn from thought leaders in Cloud Connect's comprehensive conference and expo.

CONFERENCE – Explore the latest cloud technologies and platforms and identify opportunities in the cloud. Topics include:

- On-Demand Economics
- Migration Strategies
- Specialized/Vertical Clouds
- Case Studies
- Infrastructure 2.0
- Industry Standards
- Cloud Consequences
- Management, Security and Compliance
- Dealing With Data

PRE-CONFERENCE WORKSHOPS – Dive into key cloud computing topics on Monday, March 15. Workshops include:

- Intro to Clouds
- CloudOps Boot Camp
- Cloudsec 101
- NoSQL Basics
- Performance and Optimization
- Executive Summit
